Dear Kayak Enthusiast,
Thank you for your interest in enrolling in the ACA Level 3 Coastal Kayak Skills Assessment on April 11th, 2020.

This skills assessment is designed for those people who are already ACA Level 2 Essentials of Kayak Touring instructors who feel ready to teach in ocean environments that consist of winds from 10-15 knots, seas of 1-2 feet, breaking waves of 1-2 feet, and tidal currents of 1-2 knots.

To participate in this assessment, one should be very comfortable performing all the skills listed on the ACA website:

https://c.ymcdn.com/sites/aca.site-ym.com/resource/resmgr/sei-courses/l3_ck_assessment.pdf

The American Canoe Association requires that anyone wishing to take a Level 3 Coastal Kayak Instructor Development Workshop or Instructor Certification Exam must first pass a Level 3 Coastal Kayak Skills Assessment. This assessment is being offered to help aspiring Level 3 CK instructors meet the pre-requisite. (Note that currently certified Level 2 instructors who meet the above prerequisites can opt to skip the IDW for Level 3 and go directly to the ICE. (Offered in August of 2019)

Please note that passing the Level 3 Skills Assessment is a proficiency award, not an instructor certification.

Maine is rich in opportunities for varied paddling experiences. Where we choose to paddle will depend entirely on the group and the weather at hand.

We will plan to meet at the course location at 0800 sharp on the day of the assessment. Our exact meeting location will be sent to you prior to the start date. The general working area will be located in/around Casco Bay and the Georgetown, Maine area. All locations are approximately in a 20 mile radius from Brunswick, Maine.

If you are flying in and need transportation and kayak/dry suit rental, please let us know and we will work with you to make this happen.

To enhance the quality of the program and the safety of our entire class, we ask that you bring all of the equipment on the enclosed bring list. If you are missing something on the bring list, please call and we will try to help you get what you need.
